Selling Machinery in China: business opportunities with SUMEC

SACE, Confindustria and ACIMAC, UCIMA, AMAPLAST are pleased to invite you to a **presentation of new business opportunities in the machinery sector in China with SUMEC ITC**. The event will focus on the broad machinery sector including, but not limited to, ceramics, plastic, rubber and food processing and packaging technologies.

SUMEC International Technology Co. is the leading machinery import agent (70% of market share) and one of the major 3 bidding agent services in China with a customer base of more than 20,000 manufacturing companies. The webinar will also give an insight on how to enter the Chinese market with the support of SACE.
