

# SACE meets Tepe Construction

*Explore new  
business opportunities  
in the Glass Sector*

**29 July 2020 - 10.00 am**

SACE SIMEST, with the kind cooperation of **GIMAV Confindustria**, is pleased to invite you to a presentation of new business opportunities in the **Glass sector** with **Tepe Construction**. Tepe İnşaat is a leading **Turkish Construction Company** with a strong footprint in the CIS Area. Since its foundation in 1969, it has completed projects in 17 different Countries with a total area over 13 million square meters, including shopping malls, hospitals, educational buildings, industrial facilities and infrastructure projects. The webinar will focus on the **project of a Float Glass Factory in Uzbekistan** and will be held in English.

Following the plenary session, the participants will have the opportunity to **join online B2B meetings with the representatives from Tepe Construction**.

**REGISTER HERE**
